

**REMARKS**

The amendments set forth herein in this Supplemental Amendment and Response are supplemental to the amendments set forth in an Amendment and Response submitted on 4 November 2010.

The amendments set forth herein correct for informalities in claims 15, 19, and 20.

The reasons for which the claims are believed to be patentable over the cited references relied upon by the Examiner in the Office Action dated 4 August 2010 and for which the claims are believed to recite statutory subject matter are set forth in the earlier-submitted Amendment and Response.

Re-examination and reconsideration for allowance of the claims, presented as now-amended, and in light of the reasons set forth in the earlier-submitted Amendment and Response is respectfully requested.

Respectfully submitted,

/Robert H. Kelly/
